

Concerning Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules, I am writing in support of retaining all FCC rules in question. Media outlets are already controlled by just a few corporations, which diminishes their content, output and value. News coverage is compromised. Free expression is squelched. Please to do put media control in the hands of even fewer corporations, as that would prove a gross injustice and disservice to the public. Thank you for your time.
